

# Control Depot

We Are Your **Building Automation** Partner of Choice

**Honeywell**

**BELIMO**

**PROLON**  
controls

**Zonex**  
SYSTEMS  
*comfort you control*

**Control Depot** is the region's premier **Building Automation** and **HVAC Controls** distributor and system training firm serving Nebraska, Iowa, Illinois, North Dakota, South Dakota, Missouri and Kansas. We offer and support a wide selection of commercial controls and components. This includes everything from a simple thermostat to complete web-based building automation systems from **Honeywell, Belimo, ProLon Controls, Viconics, Lutron, EasyIO, Johnson Controls, Siemens, Zonex Systems, KMC and Tridium**. As a one-stop distribution and training partner, Control Depot is proud to offer the most innovative products, training and professional design/engineering services that have made us a trusted advisor. With exceptional warranties and our experienced staff, Control Depot may be just the partner you have been looking for.

## Distributors For:

### Honeywell

#### Commercial Building Automation

HVAC Controls

Tridium Niagara Software

Valves, Actuators, Sensors, & Dampers

Variable Frequency Drives (VFDs)

Web-based Security

#### Residential Automation

Connected and Wifi Thermostats

Zoning Systems

Wifi Security Camera

Wifi Leak Detectors

UV Air Treatment Systems

#### Combustion Controls

Flame Safeguard Controls

Gas Valves

Flame Detection & Accessories

### Honeywell Analytics

Commercial Gas Detection

Manning Ammonia Gas Detection

Refrigeration Gas Detection

Industrial Gas Detection

BW Technologies Portables

### E-Mon Energy Meters

Stand-alone or Smart Metering Product  
Water, Gas, Steam, & Electricity Meters

### Honeywell Genesis Cable

HVAC, Security, & Network Cable

### eGauge Energy Meters

Electricity Smart Metering Solutions

### Millennial Net

Electric/Pneumatic Thermostats

### Zonex Systems

Zonex HVAC Zoning Panels

### Belimo

Valves, Actuators, Sensors, &  
Flow meters

### ProLon Controls

Commercial Building Automation  
HVAC Controls

### EasyIO

Commercial Building Automation  
HVAC Controls

### Viconics

HVAC temperature controllers &  
digital thermostats

### Contemporary Controls

Commercial Building Automation  
HVAC Controls

### ACI

Temperature, Pressure, & Humidity  
Sensors

### Johnson Controls

Valves, Actuators, Sensors, VFDs &  
Pneumatics

### Siemens

Valves, Actuators, Sensors, VFDs &  
Pneumatics

### Lutron Lighting Control

Commercial Lighting Control Systems

### Functional Devices

Relays & Enclosures

### Klein Tools

American Made Field Tools

### Senva

Temperature, Pressure, Humidity &  
Current Sensors
